

Stretched out over the deep, a hand open to all;  
Offering a haven of support, steadfast and secure.  
Perched with confident care, ever welcoming;  
**Such are Nurses:**  
Nurtured by a spirit of care, ready to reach out;  
Lifted up and lifting up, offering compassion.

Praises and blessings for nurses;  
Steadfast and tender care-sharers;  
Quietly offering a soothing presence;  
In each moment: a vision of healing hope.

Praises for nurturing care-sharers;  
Gently bringing soothing strength to all;  
With dedicated care nurses offer support;  
In each moment fostering a shining vision;  
Through life's storms comes healing hope.

Opening out to all with a gentle quiet strength;  
Offering to all a softly soothing presence;  
Nurses draw from a well-spring of healing care;  
Nurtured by a spirit of calm compassion;  
Joining to foster a comforting community.
